A parental consent form will be required for any participants **under the age of 16**. Any participant under the age of 16 **MUST** wear a life jacket or buoyancy aide. Coxes should wear a life jacket or buoyancy aide. Sufficient life jackets or bouyancy aides should be carried for the whole crew.

Races will be held in accordance with the Harker's Yard Gig Rules of Racing (April 2015). A copy of the racing rules will be available and Coxes should ensure that they are familiar with, and abide by the rules.

The race organisers stress that safety is of a high priority, and that racing should be fair, safe and enjoyable for all participants. Competitors participate in the event at their own risk and are responsible for their own safety and that of their boat at all times.

Whilst safety boat cover will be provided all boats should carry a waterproofed means of communication. At a minimum this should be a fully charged mobile phone with contact numbers for race officials and preferably a working handheld VHF radio.

We ask all boats to display a Racing Flag if at all possible, for the benefit of shore side spectators.
