Disclaimer of liability: Competitors are entirely responsible for their own safety, whether afloat or ashore, and nothing reduces this responsibility. It is for the competitors to decide whether their boat is fit to sail in the conditions in which it finds itself. By launching or going to sea competitors confirm the boat is fit for those conditions and they are competent to compete in them. Nothing done by the organisers can reduce the responsibility of the owners and/or competitors, nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The provision of safety boats does not relieve owners and competitors of their responsibilities.
