Welcome to your Member's Page

We hope you will find the content of this section of the Club website useful and that it will provide you with information about the Club.

The Club is managed and run by volunteers who are all members of Stour Sailing Club. Management meetings are held monthly and included in the agenda is an Open Forum section at the beginning of each meeting. This is for any member to bring to the meeting questions, information, requests, etc. There is a full list of Management Committee contact details via the home page as another direct contact/communication source. For any further information/requests/concerns/questions etc please contact the membership secretary initially via membership@stoursailingclub.co.uk

The SSC membership year runs from 1st April until 31st March.

The Club now has an on-line membership database that enables members to renew via the Portal.

You can check on the information the Club holds about your membership by going online to your personal "Portal". To login to the Portal, click on this link: <https://members.stoursailingclub.co.uk/login>

You will be prompted to create a Portal account and password; these are solely to access your own details. If you have any problems please contact membership@stoursailingclub.co.uk. You will still be required to send in your payment by bank transfer.

Alternatively if all else fails please click on one of the links below for a paper format of the renewal form. Please continue to pay by bank
