Proposer and Seconder must be current club members of at least 3 years standing. If no Proposer or Seconder, a couple of Committee members will meet you for a brief, informal chat.

If you have a vessel of any kind it is important that we are able to contact you quickly in the unfortunate event of accidental damage, vandalism, or breaking adrift. Phone numbers are included in the membership details held in the clubhouse; if you are ex-directory and do not wish your number to appear, enter "Ex-Dir" in the space, but it would still be helpful for the Membership Secretary to hold your number in privacy in order to convey urgent messages to you.

What happens now

Please send this form to the Membership Secretary with the joining fee. Your name and interest will be displayed in the clubhouse for at least a week and your application will then be considered at the next monthly meeting of the General Committee. If you don't have a proposer or seconder, you will be contacted to arrange an informal chat.

If your membership is approved you will be notified, the current annual membership fee will be requested, plus the joining fee if you haven't already paid that and both need to be paid within one month. Your membership will start from receipt of your membership remittance. The subscription period runs from 1 April to 31 March the following year. Subscriptions of applicants received after 31 October cover membership for the following year.

It would be useful to know what your present or past occupation is or was (and that of your partner) so that we might ask your advice on where best we seek expertise. This would not mean giving professional advice which breached the rules of your professional association or which laid you open to any redress.
